

**Western Museum of Mining and Industry  
Golden Age Mine Collection (1867-1987)**

The Golden Age Mine is located near Jamestown, Colorado. This collection contains general information regarding Jamestown and maps of the Boulder County Area. It also includes documents relating to the Golden Age mine, the Golden Age Mining Co., and other mines and companies functioning in the same area. These documents were donated to the museum in June 2020 and are contained in one box.
